OBJECTIVE

I am a self-motivated and passionate Junior Backend Developer. My goal is to build impactful, user-friendly web applications using modern technologies like Node.js, NestJS, and PostgreSQL. I am eager to grow as a full-stack developer by continuously learning and contributing to real-world projects & collaborative teams.

SKILLS

Expertise: JavaScript (ES6+), TypeScript, Node.js, Express.js, NestJS, Mongoose, Prisma, PostgreSQL, MySQL, MongoDB, SQL, React.js, Next.js, SendGrid, Nodemailer.

Comfortable: OOP, REST APIs, Firebase, JWT, Soket.io, SMTP, Cloudinary.

Familiar: Redis, GraphQL, React Hook Form, Axios, Redux, HTML5, CSS3, Tailwind CSS.

Tools & Software: VS Code, Git, GitHub, Npm, Postman, Chrome DevTools, Vercel, Render, Figma.

PROJECTS

Frontline (Personal Porfolio)

[Live Link](#) [GitHub](#) [Client](#) [GitHub server](#)

Technologies used: Node.js, Express.js (Modular Pattern), MongoDB, Mongoose, Nodemailer, SendGrid SMTP, Socket.io, Cloudinary.

- Developed using a **modular Express architecture** for clean, scalable backend structure.
- Used **Nodemailer + SendGrid SMTP** for automated transactional emails(booking confirmation)
- Added **Cloudinary media upload** for secure housing/property image handling.

Haven Keys (Real State)

[Live Link](#) [GitHub](#) [Client](#) [GitHub server](#)

Technologies used: Node.js, Express.js, MongoDB, JWT, Stripe, Firebase, React.js.

- Full-stack real estate platform with role-based Firebase/JWT auth and protected routes.
- Stripe payments and dynamic filtering with Tailwind + Framer Motion UI.
- Wishlist, admin CRUD, and secure Express/MongoDB backend.

Marathon Zone (Marathon Management System)

[Live Link](#) [GitHub](#) [Client](#) [GitHub server](#)

Technologies used: Node.js, Express.js, MongoDB, JWT, Stripe.

- Implements secure authentication with Firebase and JWT, featuring protected routes.
 - Users can register and join marathon events; organizers can create, update, and delete events.
 - Includes event search, dynamic filtering (by date and category), and countdown timers.
-

EDUCATION

National University

BSS (2021 – Ongoing)

LANGUAGES

- Bengali (Native)
- English (Basic conversational ability)
